

Crich Tramway Village - Eastern Bloc Vehicle Meet 4 October 2020

What should have been our final main event of the year turns out to be the first! For this we return to the ever-popular Peak District.

We make a very welcome return to National Tramway Museum, Crich: www.tramway.co.uk.

Many great meets were held here until the Museum moved away from such events – well, we're back!

All vehicles with an Eastern Bloc pedigree (2, 3 or more wheels) are welcome. No pre-booking - just turn up from 10am – 4pm. Discounted museum admission payable on arrival.

The museum has social distancing measures in place – don't forget your mask for tram rides and when indoors.

Enquiries: Events@IFAClub.co.uk

NB: this meet is for Eastern Bloc vehicles only; the Museum insists on no uniforms or military re-enactors (after some reported problems in the past).
